TCIQ

About Our Company

TCIQ is an ISO (9001:2015) certified company that does business in the areas of training, consulting, and service. We are one of the fastest- growing businesses in India right now.

TCIQ is a well-known Training, Consulting, and Services company that was founded in 2019. TCIQ wants to meet the ever-growing demand for international training and consulting, and to produce highly qualified professionals for all industries, especially for the safety, quality, and logistics industries. Our foothold shows that we are serious about the places where we work. TCIQ has become one of the most trusted training providers because of providing the highest quality standards in training

TCIQ has accredited with International organizations like – NEBOSH (UK),IOSH (UK), OTHM (UK), AOSH (UK), and Medic First Aid (USA)

OTHM Level 6 Diploma in Occupational Health & Safety

Qualification Objectives

The OTHM Level 6 qualifications in Occupational Health and Safety are developed to provide learners who have, or are looking to develop into, a senior role in an organisation with responsibilities for managing health and safety policy and practice.

The qualification gives learners the opportunity to advance their understanding of Occupational Health and Safety management. Learners will gain the skills and knowledge to understand the legal and regulatory background to occupational health and safety policy, to be able to assess policies, as well as to recommend and implement policy changes.

Learners will develop knowledge and skills relevant to putting policy into practice, utilising management systems, resources, risk and incident management, leadership, management and skills development.

Course Study Mode

Classroom | Online

Entry Requirements

The learner must possess previous knowledge in health and safety especially level 3 certificate from IOSH or NEBOSH or equivalent recognised qualification.

English Requirements: If a learner is not from a majority English-speaking country, they must provide evidence of English language competency. For more information visit English Language Expectations page in this website.
